Attorney's Fees and Costs

DECISION ON ATTORNEY'S FEES AND COSTS¹

On July 9, 2019, Rebecca Cary filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she received an influenza vaccination on February 27, 2018, and thereafter suffered from a left-sided shoulder injury related to vaccine administration. (Petition at 1- 6). On September 27, 2021, a decision was issued awarding compensation to Petitioner based on the Respondent's proffer. (ECF No. 49).

¹ Because this unpublished Decision contains a reasoned explanation for the action in this case, I am required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Petitioner has now filed a motion for attorney's fees and costs, dated October 13, 2021 (ECF No. 53), requesting an award of \$75,259.63 (representing \$74,566.60 in fees and \$693.03 in costs). In accordance with General Order No. 9, Petitioner filed a signed statement indicating that she incurred out-of-pocket expenses in the amount of \$7.35. (ECF No. 53-3). Respondent reacted to the motion on October 27, 2021, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. (ECF No. 54). On October 27, 2021, Petitioner filed a reply requesting the fees and costs be awarded in full. (ECF No. 55).

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). **Accordingly, Petitioner is awarded the total amount of \$75,266.98³ as follows:**

- **A lump sum of \$75,259.63, representing reimbursement for attorneys' fees and costs, in the form of a check payable jointly to Petitioner and Petitioner's counsel; and**
- **A lump sum of \$7.35, representing reimbursement for Petitioner's costs, in the form of a check payable to Petitioner.**
- **Petitioner requests checks be forwarded to Maglio Christopher & Toale, PA, 1605 Main Street, Suite 710, Sarasota, Florida 34236.**

In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.⁴

IT IS SO ORDERED.
